## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-22 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests an electron beam tomography or a method to generate an image in an electron beam tomography by generating a sequence of temporally separated, unfolded parallel view sinograms corresponding to scans through a subject during a scanning time interval, folding data from a first region of view angles from each of sinograms into a second region of view angles in a corresponding next temporally adjacent sinogram and folding data from a third region of view angles from each of said sinograms into a fourth region of view angle in a corresponding previous temporally adjacent sinograms wherein said folding data from said first region and said folding data from said third region include combining a last half of said first sonogram which a first half of said last sonogram as claimed in independent claims 1 and 12.

Claims 2-11 and 13-22 are allowed by virtue of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
